

DIVERSITY *in* NURSING

FRONTIER NURSING
UNIVERSITY®

empowering • rewarding • awareness • revealing
transforming • insightful • challenging • understanding

Specialties Offered:

- Nurse-Midwife
- Family Nurse Practitioner
- Women's Health Care Nurse Practitioner
- Psychiatric-Mental Health Nurse Practitioner

In a rapidly changing world, it's clear a more diverse group of Nurse-Midwives and Nurse Practitioners is needed to meet the demand. That's why FNU has been recognized in preparing our nursing students to meet the growing demand of diverse populations they serve.

Joining the Diversity Impact Program means becoming part of FNU's legacy of providing culturally competent care to rural and underserved communities. Our students strive to discover themselves in a world filled with cultures beyond their own. Frontier's Diversity Impact Program opens the door for our students to become global thinkers and leaders within their community.

Diversity Impact Program

Distance Education Programs:

- Doctor of Nursing Practice
- Master of Science in Nursing
- Post-Graduate Certificate

"I grew up in a truly diverse country but diversity was not a buzzword. That group experience - Diversity Impact - has left an indelible mark on me! It was an awakening of ALL my senses."

- Luzia Tuggle, Family Nurse Practitioner (Ky)
